RE: Rate Increases in the Intellectual/Developmental Disability Waiver Program (I/DDW)

As of October 1, 2019, certain IDDW rates will be increased to provide for provider staff compensations. A complete list of these rate increases can be found on the IDDW website at: <https://dhhr.wv.gov/bms/Programs/WaiverPrograms/IDDW/Pages/Policy-and-Forms.aspx>.

An attestation form from each IDDW provider must be signed and submitted it to Nora Dillard, IDDW Program Manager, prior to October 1, 2019. Failure to do so will result in a pay hold being placed on your agency's paid claims account.

If you have questions, please contact Ms. Dillard at 304-558-1700 or at Nora.L.Dillard@wv.gov
